NOTICE OF EXTENSION OF COMPLIANCE PERIOD FOR 2020 UNIFIED CARRIER REGISTRATION IN THE STATE OF CONNECTICUT

The Unified Carrier Registration Plan (UCR) has announced that it is recommending a delay, until July 1, 2020, for the enforcement of UCR registration for 2020. This recommendation is based upon the delay in the rulemaking process for establishing 2020 carrier rates, along with the current COVID 19 crisis.

Based upon UCR's recommendation, the State of Connecticut will extend the compliance period for 2020 UCR registration until July 1, 2020. After July 1, enforcement action will begin for carriers that have not registered for 2020. This extension shall not apply to any registration year prior to 2020.

This Notice applies to all motor carriers (for-hire, private and exempt) as well as brokers, freight forwarders and leasing companies operating in interstate and international commerce that are required to register under UCR.
